Matters Arising

Wall outside 2, Middle St. A message had been received from P.C.C. that arrangements for the necessary work were now in hand.

Issues around recycling area. C'lr Barbara Summons informed Members that the clothing bin had gone. The others were still there. Overall, the situation was somewhat improved, though not ideal. Matter to be kept under review as necessary.

Bank by church. P.C.C. had not been in touch further about this. Clerk to chase up with P.C.C. C'lr Barbara Summons was concerned that the wall of the church could become weakened if nothing was done soon.

Grit bin. Members were informed that the invoice had been received. C'lr Steve Davies wondered if the Community Council should be looking at placing others in the Village. However, C'lr Barbara Summons had received comments expressing the opinion that they are a waste of money. Matter to be placed on agenda for full discussion in April when more Members should be present to inform the debate.

Ashes being dumped behind properties in Westaway Park. C'lr Barbara Summons thought the problem may be ongoing, but did not have more specific information. Matter noted for possible future further action if the problem persisted, and specific information was available.
